- Massachusetts enacted a measure ([HB 4640](#)) to increase the state minimum wage to \$15.00 over the next five years. The tipped wage would rise to \$6.75 from \$3.75 over the same time period.

2017 Highlights

- Nineteen states began 2017 with higher minimum wages. Seven states (Alaska, Florida, Missouri, New Jersey, Ohio and South Dakota) automatically increased their rates based on the cost of living, five states (Arkansas, Colorado, Maine and Washington) increased their rates through ballot initiatives approved by voters, and seven states (California, Connecticut, Hawaii, Massachusetts, Michigan, New York and Rhode Island) so as a result of legislation passed in prior sessions. - New York became the second state to pass a new law that would raise the minimum wage in New York to \$15 per hour by the end of 2018. Washington D.C. followed suit, enacting a law to raise the minimum wage in the District to \$15 per hour by July 1, 2020.
- On April 4, California Governor Jerry Brown signed Senate Bill 3 into law. The new law increases the minimum wage to \$15 per hour by Jan. 1, 2022, for employers with 26 or more employees. For employers with 25 or fewer employees the minimum wage will reach \$15 per hour by Jan. 1, 2023. Increases may be paused or reduced if certain economic or budgetary conditions exist. Beginning the first Jan. 1 after the minimum wage is reached for smaller employers, the minimum wage is indexed annually for inflation.

employee's particular occupation. The rates are minimum rates; an employer may choose to pay an employee higher than the rate(s) for its industry.

² **California:** The minimum wage scheduled increases are delayed by one year for employers with 25 or fewer employees. The rate increases to \$10.50 per hour effective 1/1/2018 and is increased by \$1.00 increment until it reaches \$15.00 effective 1/1/2023

³ **Connecticut:** The Connecticut minimum wage rate automatically increases to 1/2 of 1 percent above the Fair Labor Standards Act if the Federal minimum wage rate equals or becomes higher than the State minimum.

⁴ The **Maine** minimum wage is automatically replaced with the Federal minimum wage rate if it is higher than the minimum.

⁵ The **Massachusetts** minimum wage rate automatically increases to 10 cents above the rate set in the Fair Labor Standards Act if the Federal minimum wage equals or becomes higher than the State minimum.

⁶ **Minnesota:** With the passage of H.B. 2091 (2014), the annual sales volume threshold was reduced to \$500,000 for large employers, with an annual sales volume of \$500,000 or more, the minimum wage is currently \$9.50; for small employers, those with an annual sales volume of less than \$500,000, the minimum wage is \$7.75.

⁷ **Missouri** - In addition to the exemption for federally covered employment, the law exempts, among other things, a retail or service business with gross annual sales or business done of less than \$500,000.

⁸ **Montana:** the \$4.00 rate applies to businesses with gross annual sales of \$110,000 or less; \$8.15 applies to all other businesses.

⁹ **Nevada:** \$8.25 without health benefits; \$7.25 with health benefits.

¹⁰ **New York:** The new minimum wage varies across the state based on geographical location and, in New York City, employer size.

The Secretary of Labor and Human Resources may authorize a rate based on a lower percentage for any employer who can show that implementation of the 70 percent rate would substantially curtail employment in that business.

Other Exceptions

- **Missouri, Oklahoma, Texas, Puerto Rico, Utah, and Virginia** exclude from coverage any employment that is subject to the Federal Fair Labor Standards Act.
- **Hawaii, Kansas, and Michigan** exclude from coverage any employment that is subject to the Federal Fair Labor Standards Act, if the State wage is higher than the Federal wage.
- The **Georgia** state minimum wage is \$5.15. Employees covered under the federal Fair Labor Standards Act are subject to the federal minimum wage of \$7.25, but those not covered under the FLSA may be paid the state minimum wage of \$5.15.
